Arthur F. Sladen Esq., C. V. O., C.M.G.,

Ottawa Ontario

Dear Mr Sladen:

Last night I got your telegram with regard to the visit of the Mission from the Universities of Great Britain. In the morning I had a letter from Professor Schofield saying that the Mission would arrive here from Ottawa on Sunday morning, November 3rd, and stay here until early Tuesday, November 5th. We will look after them on Sunday and for Monday we propose that they shall spend most of the day at the University, and to have a reception for them in the afternoon in Convocation Hall, when some of the visitors will doubtless give us addresses.

I am very glad that these gentlemen are coming to Canada. I wrote to the British Mission in New York, asking them to have the itinerary so arranged as to include us, and the Oxford delegate I met when there in August and told him we would expect them to visit the University.

With kind regards, I am

Yours sincerely,

President.

Dear Mr. Sladen:

Would you be kind enough to inform His Excellency that we have made these arrangements for the entertainment of the visitors from the British Universities? We expect them to arrive here on Sunday morning. I have reserved rooms for them at the King Edward Hotel. Would you be kind enough to tell the Deputation that we expect them to stay there? I have already written to Professor Schofield to this effect, but whether he has been able to communicate with them I am not sure. I will try to be at the train to meet them myself, but in any case they are to go direct to the Hotel.

I am arranging that several ladies and gentlemen shall call upon them on Sunday morning and endeavour to provide entertainment for them during the day. Sir Edmund Walker expects to have them at his house for tea at half past four.

On Monday morning they will come to the University at ten o'clock to meet members of the staff, and after that will visit various parts of the University. Some of the Deputation will then go to the Empire Club, after which they will received by the Mayor. Lady Pendrie is inviting them to tea on Monday afternoon and on Monday evening there will be a dinner for them at the York Club.

I am sending you a programme and will you be kind enough to hand it to Mr. Shipley when he arrives in Ottawa ?

With kind regards, I am,

Yours sincerely,

President.

Dear Mr. Sladen:

Will you be kind enough to wire me at my expense by what Railway the members of the British Educational Mission will travel from Ottawa to Toronto, and if by C.P.R. whether they will come to the Station at North Toronto or the Union Station? I shall meet them myself and wish to know exactly where to go and what time. Thanking you,

I am,

Yours sincerely,

President.
